

2009 Spring Update

Homeowners Association

To all,

Good day. Spring is here and we are entering our busy times of the year. Your board has been working on several spring initiatives (Spring newsletter, Spring Clean up, Landscaping, Consolidated Garbage collection, Mail box initiative). Our Annual meeting is going to be on May 5th at Delta Kelly. Please plan on attending as we will have several initiatives to discuss. Please check the website for details on the annual meeting and the Spring newsletter. Thank you and see you soon.

Respectfully yours,
David Kinnie
