

2008 winter update

## **Homeowners Association**

To all,

Welcome to the new and improved website. This is a wonderful new website and hopefully you will take advantage of it for information and subdivision news. As the board preps for our annual meeting to be held on April 22 (6:30 registration, meeting 7:00 - 8:30 pm in the media center) we would like you to be informed about what is going to be discussed. We only have an hour and a half so discussions will be kept short and can be tabled for a later date. Below are the tentative topics that will be on the agenda.

- Financial review
- Review accomplishments
- Future projects
- Snow Removal
- Trash Alternatives
- Tree Care
  - o Dead Ash Trees
  - o Suffering Pines
  - o Unsafe Dead Trees
- Potential Mailbox update
- Interest in Spring Cleanup
- Interest in Summer Garage Sale
- Website Update
- Open Dialog

We have had modest participation in our annual meeting and I only hope we will get additional participation in this years meeting. Hope to see you there.

Respectfully yours,  
David Kinnie
